

# New Biologics in the Therapy of Crohn's Disease

Friday December 2, 2005  
Miami Beach, Florida  
Fontainebleau Resort & Spa  
Fleur de Lis Room  
4:20pm – 5:45pm

Chair  
**William J. Sandborn, MD**  
Mayo Clinic  
Rochester, Minnesota

## Who should attend?

This educational program is intended for gastroenterologist, internists, and other health care professionals in active clinical practice involving the management of patients with Crohn's Disease.

## Educational Objectives

After successful completion of this activity, participants should be able to:

- Identify current and promising biologic treatment options for patients with Crohn's Disease
- Comment on anti-tumor necrosis factor (TNF) strategies in disease management of patients with Crohn's Disease
- Understand how current research and basic science may impact disease management in the future

## Continuing Medical Education

Imedex<sup>®</sup>, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Imedex, Inc. designates this educational activity for a maximum of 1.25 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

## Scientific Agenda

- 4:20 Introduction  
**William J. Sandborn, MD**, Mayo Clinic, Rochester, Minnesota
- 4:30 Advances in medical therapy of Crohn's disease  
**Stephen B. Hanauer, MD**, University of Chicago, Chicago, Illinois
- 4:50 Update on the use of anti-TNF in Crohn's disease  
**Maria T. Abreu, MD**, Mount Sinai School of Medicine, New York, New York
- 5:10 Crohn's disease: Optimizing therapeutic strategies  
**William J. Sandborn, MD**, Mayo Clinic, Rochester, Minnesota
- 5:30 Panel discussion
- 5:45 Adjourn

## Corporate Support

This meeting is made possible by an unrestricted educational grant from UCB.

## To Register

Due to limited seating, attendees wishing to attend must register at the 2005 CCFA National Research and Clinical Conference – 4<sup>th</sup> Annual Advances in the Inflammatory Bowel Diseases.
